LAS VEGAS (July 13, 2021) – Naqvi Injury Law founder and managing attorney [Farhan Naqvi](#) and attorney Elizabeth Coats were named to the 2021 Super Lawyers® elite group of Nevada's top attorneys. Attorneys from the firm have been named to the prestigious list for eight consecutive years.

This is the eighth year that Farhan Naqvi has been recognized in one of the most respected online legal rating services in the industry. Coats has received the honor for the third consecutive year. She was previously recognized as a Super Lawyers Rising Star, an honor reserved for exceptional attorneys who are 40 years old or younger and have been working as an attorney for less than 10 years.

"It is an honor to be recognized in this year's Super Lawyers rankings, and we are proud to share it with the passionate people on our team who are relentless in pursuing justice for injured people in our community," said Naqvi.

Super Lawyers rankings are based on peer recognition and professional achievement.
